

World Mission Outreach

To proclaim the Gospel; equip the next generation; mobilize the church throughout the world

December 1, 2010

"For to us a Child is born, to us a Son is given: and the government shall be upon His shoulder: and His name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace" Isaiah 9:6

Shalom Dear Kingdom builder and Partner,

Merry Christmas! We are so blessed to be yoked with you, in prayers and your faithful giving. This holiday season we want to pray for you and honor the Messiah Jesus who is behind the work we share together serving the "least of these". We share the reward together. We thank God for you.

This has been a wonderful year. As we review 2010, we thank God for the salvation of many souls who came to Jesus as Lord God and Savior in Israel and around the world. We thank God for the follow up of many of these new believers which are connected to different congregations. We thank God for the hundreds of souls which heard the Good News. We trust God's timing and pray for a great harvest of souls saved for His Glory. As the Bible says; some plant, others water, but God gives the increase, I Corinthians 3:6-9.

There is not enough space here to share all the wonderful testimonies of people impacted with the Gospel of Jesus, The Son of God. Please go to www.wmoutreach.org and click newsletter to see past monthly updates. You will be blessed! You are a part of this.

Salvation is by faith alone, Romans 1:16-17. The righteousness of God is found only in the Gospel of Jesus, and we are justified by faith alone in Him. What a Divine salvation we have. What a hope we have. Saved by the Grace and Mercy of God. What a Christmas gift the world has, and yet the world needs to know. We thank God for His calling and sending through you in prayer and support.

The Gospel is free, but there is a cost in bringing it. We need your help for the next two campaigns coming up in Tanzania and Liberia. We trust the Spirit of the Lord to empower us to enter 2011 focused on worshipping Jesus and preaching His Gospel even more. Jesus is the hope of the world.

Year-end giving may be on your mind and we would ask that you would please consider us. The fields are ripe, and your generous end-of-the-year gift is especially needed at this critical moment of getting this good news out. If you cannot write a check you can be significant anyway...as an electronic monthly partner of World Mission Outreach. Faithful consistency each month allows World Mission Outreach to focus on preaching the Gospel to Jews and Gentiles, not fundraising, which is such a distraction. It also saves the ministry a lot of overhead. That is significant giving.

There is no amount too small. Just ask the Lord what He would have you give. That is the amount we need. He loves the Widow's mite as well as the gifts from "to whom much is given, much is required." Thank you for blessing Jesus back through World Mission Outreach. It is a good time of year for that. As we give, we give God an opportunity to show His Divine provision for His Kingdom purposes. The best investment is His kingdom. May the Lord bless you and your family.

Yours in life for the "least of these",
Henry and Darlene

TESTIMONY TIME: Fruits of the branch of the Vine – John 15

Hi, my name is Edward Israel Wallick, and I am serving as a board member of World Mission Outreach. I was born in 1944 in Hattiesburg Mississippi while my father was stationed at Camp Shelby as a captain in the US Army Dental Corps during WW II. Both my mother and father were the children of Jewish immigrants from the city of Kiev in the Ukraine. Although neither my father nor mother were religious Jews, my mother did keep the Sabbath, and they celebrated the high holidays of Passover, Rosh Hashanah, and Yom Kippur. I excelled in my schoolwork, particularly science, and earned scholarships to attend college. I loved geology because it involved a lot of imagination, and spanned eternity past to present. I went all the way for a doctorate in earth science, and got my first real job as a geologist in Edmonton, Alberta, Canada in 1973.

I responded to the witness of a man I worked with, Gordon Gabert, and gave my heart to the Lord at Central Pentecostal Tabernacle church in Edmonton, Canada. I will never forget how I felt that day in October 1980. I had peace. I had joy. I was able to see colors more vividly than ever before. I cried and cried and cried tears of gratitude for the forgiveness of my sins.

Jesus said, in John 12:32, “And I, if I be lifted up from the earth, will draw all men unto me.” In John 17:21, Jesus prayed “That they (believers in Jesus) may be one; as thou, Father (art) in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me.” When I am in church on a Sunday morning, I look around, and see all sorts of people worshipping the God of the Bible. There are whites, blacks, orientals, young and old, rich and poor, and me as a Jew, all (Jews and Gentiles) praising the Christ who drew all men to himself when He gave His life on Calvary for the forgiveness of our sins. Romans 1:16 is indeed the true Gospel of salvation to Jews and Gentiles if one believes. I am married to a non Jewish woman, who is a wonderful Christian, Jew and Gentile together in Christ. I am convinced that unity amongst believers was and is something very close to the heart of God.

It is painfully obvious that we live in a fragmented world, where Satan has been working overtime to feed prejudices, resentments, and fears. Only Jesus' love through His death on the cross for the forgiveness of our sins, and by the power of His resurrection can heal the hearts of Jews and Gentiles, and bring them together in supernatural unity. WMO is doing work that is close to our Lord's heart. Please consider a generous gift to WMO as this year draws to a close.

Please pray for:

- Divine favor
- Provision and Protection
- Campaign in Bethlehem – Dec. 24th (to Muslims)
- Tanzania – preach & equip in January 2011
- Liberia – preach & equip in February 2011
