

World Mission Outreach

To proclaim the Gospel; equip the next generation; mobilize the church throughout the world

July 17, 2010

Shalom Dear Friends,

Greetings to you in the wonderful name of Yeshua. We just completed another outreach here in the land with a team the Lord gave us from the nations. It was such a privilege to work together and lead this team in touching the lives of the different people groups here in Israel. Most of the team arrived on June 25, including Phoebe, our Egyptian sister who the Lord brought back again. We realized quickly that the work Yeshua began in May with the first team was followed up by the second team in June. The first few days we took time to bond together by fellowshiping, praying and seeing key places here in Israel. During these times, the Lord brought so many people for us to share the Gospel with.

On both outreaches we had the privilege to visit a Lebanese refugee family in Metulla in northern Israel on the border of Lebanon. They made a wonderful Lebanese dinner for us. Ronny (38), father of two beautiful little girls, has been very sick. The Doctors have been unable to diagnose him and on our first visit there were so many tears. This time was different. All the prayers that went up to the Lord were answered. There was so much joy! Henry and Phoebe spent private time with Ronny and asked his testimony. He told them he is from a Catholic background and couldn't really point to when he had received Yeshua. He wasn't even sure of what it meant to be born again. He was stuck on being justified by his own good works. He admitted he was angry against God for his physical situation and even blamed God. The Lord did a great work that evening and Ronny opened his heart to Yeshua asking the Lord for forgiveness. Praise the Lord!

Please pray for Ronny. For his follow-up, for healing emotionally and physically. There is so much tradition here. Whether it is with the Lebanese refugees or Palestinian Christians or even Jews.

On July 1 and 2, we were busy in the north on the streets and beaches. We split the team in two's and had many good conversations. Each group had many testimonies. Darlene and I met two Arabs, one man and one woman. The woman was a Police officer who was translating for her friend. She became very interested in the conversation and continued to speak with us alone. She was convicted and right there prayed to receive Yeshua for the first time. It was amazing! We pray that she will attend the congregation for growth.

“For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes, for the Jew first and also for the Gentile” Romans 1:16

Two of the many blessings for us, was that our dear Israeli friend Sharona spent much time with the team and has grown so much in the Lord. The other is our dear friend Sheila, a Jewish woman from New York, who was able to spend time with us and the team. Although she is not a believer, she chose to hang out with 9 evangelists! She even came to the Lebanese service in Arabic. Please pray for Sheila to surrender to HIM. The Lord is so faithful and we can trust Him.

We thank you for your love and support. You are a part of our team. Your prayers and financial support make a difference. May the Lord bless you and your family for your faithfulness to Him and to us. Please pray about joining us on the field sometime. You would be blessed and you would be a blessing to many.

In His Service,

Henry and Darlene
