

May 2013

Shalom Dear Partner and Friend,

Blessings in Messiah Jesus from Jerusalem. We thank God for the fruits of souls coming to know Jesus these last few months, and yet the importance to work with the local churches for the discipleship of new believers. Below is an update of what The Lord is doing through our partnership. The Harvest is ripe!

**Nepal**

Our small team and staff which comprised of myself, my wife and Christiane from Germany were able to conduct 10 days of seminars in Kathmandu, Nepal. With the purpose of equipping several churches on how to reach out to Jews, the importance and the blessing of this to the local church. Our days were quite busy with meetings beginning early and finishing late. We thank God for the local pastors who organized our meetings. Nepal is becoming more and more a spiritual center for thousands of Israelis seeking a spiritual experience in this Hindu culture.

We believe in the promise of Genesis 12:3 that as Nepalese believers bless the Jews with the Gospel of Jesus, God will bless Nepal to hear the Gospel of Jesus and many in Nepal will be born again and get home to heaven. We care indeed for Jews and Gentiles to have an opportunity to hear the Gospel, Roman 1:16. Several times we were invited also to preach the Gospel to Nepalese people. After preaching the Gospel in a local church in the Thamel area of Kathmandu, several people made the commitment to surrender their lives to Jesus and today pastor Amen is doing the follow up. Thank God for salvation, the greatest gift.

One evening while in the lobby of our hotel (which happens to be next to the Hebrew Synagogue) the Holy Spirit brought a divine appointment. A group of Westerners arrived and were talking about Buddha, Hindu gods, and their spiritual journey. The leader was in the center of the group dressed all in white. I heard the leader speaking English to them. Then The Holy Spirit opened my ears to hear the accent behind the English language and I recognized it was Hebrew. Then I called to him in Hebrew. He was astonished. He looked at me and came and sat down next to me. Then we switched to English. He opened up to me and told me how he got tired of Judaism in Israel and left Israel to Asia. I said you are right, you experience only rabbinical Judaism and not a Biblical one. I explained the difference between rabbinical Judaism which denies Jesus as Messiah and it is based on man's tradition, versus Biblical Judaism (The Old Testament) which focuses on the prophecies of Jesus The Messiah. I began with Moses, went through Isaiah 53:11 and to the Gospel of the Son of God. He asked me, who is that, I said; Jesus is the Son of God the Messiah...he looked at me deep for a minute...then his students arrived and took him away. This so encouraged me. The Lord touched my heart to stay focused for the Nepal Jewish outreach God willing in 1 or 2 years.

**Thailand**

To get to Nepal we must go through Thailand. So, we maximize the time and resources to move the churches in Bangkok as well for a future Jewish outreach. We did a Phuket Jewish outreach in 2010, 7 Israelis opened their heart to Jesus and follow up took place by the local church in Israel. The churches in Phuket, Thailand were excited to see what Jesus did. The Leaders of Patong town area and key leader pastor Yai, invited us to it again. This time we will combine a Jewish outreach for one weekend, then a Gentile outreach as well. Phuket receives thousands of western men that come for low price prostitution among men and woman. This is a modern day Sodom and Gomorrah. We are planning a major Jewish and Gentile outreach for February 2015, please keep that in prayers. We preached the Gospel at the Seed Church in Phuket and many Thai people came forward to accept Jesus as Lord God and Savior. Pastor Yai is doing the follow up.

**USA – Passover Seders**

The last portion of March and beginning of April, The Lord allowed us to bless the churches with the teaching of Messiah in the Passover Seder. The importance of the Holy Communion, Jesus returning for His bride and the responsibility to stay focused on the Gospel to Jews and Gentiles, Romans 1:16. At a meeting in a large Spanish church I had a surprise. A couple decided to get married after the Seder!

On another occasion Darlene and I went to the Mall in Milwaukee, Wisconsin and met two young adult Israeli workers at one of the Kiosks. The young man named Isaac was very open and so interested when we explained how Yeshua (Jesus) fulfilled the Passover. Isaac told us he never heard this before. It was wonderful to see his expressions as we took him through each element. He had just celebrated Passover and it was fresh in his mind. We were able to answer many of his questions and present the Gospel clearly in a Messianic context. He thanked us and gave us his email to stay in touch. We were able to bring him a Hebrew New Testament a few days later. Please pray for Isaac. Pray The Lord will lift the veil from his eyes and he will come to know Yeshua as Lord God and Savior.

## Testimony Time: Fruits of the branch of the Vine - John 15

First I bring you greetings from the Land of Mt. Everest Nepal. My name is Pastor Haron Adrian of Reach Himalaya Ministries and I am an original Gurkhas from the country of the Highest Mountain. With the help of God's grace I met Henry, WMO president through their website. I gave an invitation to come to Nepal. In 2011 I met Henry and his wife Darlene for the first time face to face. We the team of 4 leaders hosted a seminar on Jewish evangelism for the first time in the history of Christianity in Nepal. I was fascinated by the great revelation God has given to Henry on how to reach Jewish people with the Gospel. Since many many years thousands of Jewish people have been coming to Nepal as tourists to visit the mountains. We have never had an idea to share the Gospel to Jewish people since we thought that they are the closed people of Jesus but still they are wondering and waiting for Messiah. After WMO came to Nepal and we heard about reaching

Jewish people our eyes were opened wide to make a difference among the Jewish people here in Nepal.

Since Henry, Darlene and their team have come and taught in different churches about reaching both Jews and Gentiles this has made a great impact in the lives of believers. Now the church is ready to go and preach the Gospel to Jewish people. Personally I was very blessed when Henry and Darlene came to our church to teach about bringing the Gospel to Jewish people. Many times they went to share and hand out the Hebrew New Testament Bibles to them.

Indeed WMO has been a great blessings to the people and the churches of Nepal.

Thank you.

Ps Haron
