

# World Mission Outreach

*To proclaim the Gospel; equip the next generation; mobilize the church throughout the world*

November 7, 2010

Shalom Dear Friends and Co-laborers,

## Happy Thanksgiving from Jerusalem - We are thankful for the Messianic Mission of Jesus "To bring the Kingdom of God to men"

We are happy to be home after 3 months on the road. October was busy in Germany and Romania. Thank you for your prayers in establishing Naomi Ruth Deutschland, for the outreach in Romania and the future Jewish Campaign in Bucharest. We praise the Lord for the fruit. We thank HIM for the strength He gave us with the very long days (14 hours) we worked. We experienced the people of Bucharest through street evangelism and many church meetings. We heard the stories of communism's anti-Christian repression firsthand through a dear Romanian brother that worked alongside us. He was part of the communist party and when he received Jesus as his Lord and Savior he was tortured severely to renounce his faith. You can still see the vacuum in the spirit of people and yet so many are controlled by Eastern Orthodoxy (not born again). So many people are confused about the Deity of Jesus. There is a harvest field in Romania. It is going to take lots of prayers and laborers. Many are coming to Jesus, but because of the strong past spirit of communism, many are still having a hard time believing the Divinity of Jesus.

We preached the Gospel in several Christian churches. Believers brought unsaved ones to hear the Gospel and several came to Jesus for the first time. Follow up is now taking place. What a blessing to have seen many Romanians coming to Jesus. Our local host Pastor Cornel, a Romanian Gypsy believer in Jesus organized all the meetings. This was a first time for us to minister to Gypsies. It was an incredible experience. There is a revival taking place among the Romanian Gypsies. Their worship is amazing! Sadly, we witnessed so many needs. Many of these churches are filled with children that cannot read or write. **There is no place for the children to have church, so they are in with the adults.** These churches want to expand and have a place for the many children. They want to start a school for the children. Please pray for them. Maybe the Lord will lead you to donate towards this or bring a team to build a place for the children. We were reminded as we looked at their little faces of what Jesus said, "*Permit little children to come to Me, and forbid them not: for of such is the kingdom of God*" Lk. 18:16.

On October 30<sup>th</sup>, we had the first gathering of many churches from Bucharest to equip them and introduce the first city wide Jewish Outreach. Many leaders came from different churches to learn how the Lord will use Gentile believers to bring the Gospel to Jews in light of Romans 11:11 and 11:30-31. Many Pastors and leaders came away from these seminars with a desire to bless the House of Israel with the Gospel of Jesus. Many churches do not do evangelism. The Lord used us to encourage the Romanian Church to step out in faith and do it. We had some leaders that told us they had been praying for a long time for the Lord to send a ministry to mobilize the Gentile churches to reach the Jews. Praise the Lord for this!

As we preached the Gospel in Eastern Europe, we thought and prayed for you all, and the freedom we share in the United States of America. We thank God for His love to the USA and we pray now that USA

comes to Jesus even more. We thank God for your prayers and support under this freedom given by God to us to support His Gospel and Kingdom to more people in the world.

We are preparing for a campaign on December 24<sup>th</sup> in Bethlehem to the Muslims and we are preaching in Tanzania, Africa in January. Would you please consider a generous Thanksgiving gift and end of year Christmas gift to finish strong in 2010, and to enter strong in 2011 with the Gospel of Jesus? There is much work coming up, and we know that without the prayers and support of people like you, this ministry would be fruitless.

In His Love,  
*Henry and Darlene*

My name is Phoebe. I'm from an Arabic/Muslim background and got to know Jesus as my God and Savior in Cairo in 1986. Because of severe persecution I had to leave Egypt and my people and have been living in Holland for 24 years.

I got to know Henry and Darlene in Holland 5 years ago. They shared with me about their ministry and vision. Their vision touched my heart in a marvelous way and I even dreamt about it. They have the same vision to share the Gospel with both, the Jews and nations worldwide, including Muslims. The Lord Jesus touched my heart for the Jewish people to love them and to see

His love for them. When I met Henry and Darlene they invited me to come with them to Cairo for a 10-day mission trip. I hadn't been back there in 18 years. We had a marvelous time in Cairo and there was so much fruit in the work I hadn't seen in years.

Last summer they invited me to Jerusalem and the Lord provided the finances for the whole trip. It was my first time to Israel and it was very special. Being an Arabic woman, I experienced the Jewish people and the Lord gave me a deep love for them in my heart. It was a marvelous time to share with the Jews that Jesus is the Messiah. One time when we stopped at a gas station there were two Palestinian boys, about 10 and 14 years old, with their camel. I wanted to take a picture with the camel. The older boy asked me for money. I signaled him to wait. He started to curse me in Arabic and he didn't think I understood him. After I finished taking pictures, I talked to him in Arabic and he was very surprised and shocked. I told him about Jesus and how He teaches us to bless when people curse; also that this Jesus wanted to have a relationship with them. After I had prayed for them, they were very quiet and through God's grace I wasn't angry with them. I blessed them and I told them about God's goodness to everybody and that He loves everyone from all kinds of backgrounds.

The Lord also opened an amazing door for me to speak with Jews from Arabic countries, like Sharona, whose grandmother, like many Jews immigrated to Israel from Iraq. I was thrilled to speak with these Jewish people in my mother-tongue: Arabic! Israel has a special place in my heart. – Phoebe
