Dear Partner and Kingdom Builder:

Shalom and blessings from Jerusalem, in Jesus our Lord.

By God's grace, it has been a fruitful work on the road the last few months. During April, we taught "How Jesus through The Passover introduced The Holy Communion to His body." This was done to remind us that He is coming back soon. As we wait for His return, we need to go about the Father's business to bring the Good News of His Son, Jesus Christ, to the world. Thus, God will draw all men to Himself. Matthew 28:19. Nonbelievers attend our meetings as well as believers. After the gospel was presented, many of them surrendered their lives to Jesus. We thank God for their salvation, and in heaven you will see the fruits of your prayer and support. Your investment is eternal. We thank God for the cooperation of the local churches around the world for the follow up and discipleship of new believers.

Miracle in Kauai – Hawaii – USA: Usually, in our meetings, we see adults coming forward to surrender their lives to Jesus, but this time on a Friday evening, Elijah a 9 year old boy, came forward to surrender his life to Jesus. The audience was quiet, wondering if this boy understood what he is doing. But deep in my heart the word of Jesus from the Bible was echoing, "Let the children come to me, for such is the kingdom of God". Jesus would never turn away a child who can have future potential to change a nation. As Elijah prayed a public confession, everybody in the room was deeply touched and in awe by the faith of this young boy in the Son of God. Glory to God. The Bible said that Jesus has said to believe on Him with faith like a child. And what faith young Elijah has; God will surely use him. Today, youth in the world are struggling and falling in sin. Thank God for Elijah, pray for him to grow in the local church. May the youth of the world hear that Jesus is the truth!

The Divine Agenda of God and fruits upon fruits: Amazingly that on the same Friday, but in the morning; Darlene spoke to a women conference in Kauai organized by Sister Nanette who is one of our team members. Wion and Shirley from Liberia, West Africa, were guests of the conference, too. Darlene and Shirley spoke a great message to the ladies. After the meeting Jennie realized that she had head knowledge, but not a saving knowledge of The Son of God. Once again, the Gospel was clearly presented. She said, "I need a personal salvation and experience with Jesus." Jennie prayed a prayer of repentance and surrendered her life by faith to the Lord. Another blessing was the fact that Jennie was the guest of Janet E. Janet came to Jesus, the Messiah back in 1999, in one of our Hawaii Jewish evangelistic outreaches. It was beautiful to see how God is using Janet in reaching out to others. It is all about our Lord Jesus Christ. Wow, we call that fruits upon fruits for God's glory in Jesus Name. Only eternity will tell us what the Lord has done on earth.

Thailand Jewish Outreach: March was busy in preaching the Gospel to Thai people who are in the midst of much political turmoil at this time. Our God is the only hope for the hearts of the Thai people. In addition, we were able to meet several churches on Jewish evangelism in preparation for the future Bangkok Jewish outreach. Each year around 125,000 Israelis visit Thailand. In 2010 we conducted a major Jewish outreach with local churches in Phuket, South Thailand. Seven Israelis made decisions for Jesus the Messiah in their hearts and follow up took place afterwards. The rest of the audience heard the Gospel and went home with the seed planted. Bangkok will be the next evangelistic outreach with God's help and blessings. Please keep this outreach in prayers.

Nepal: The major religion is Hinduism, and the country is full of idols. We were able to conduct a pastor conference to encourage unity to build His kingdom. Pastor Wayne Patton of Hawaii was one of our guest speakers. We are thankful for the work being developed in Nepal. Please pray many Hindus get saved.

New Zealand: Thank you for your prayers. The meetings were very fruitful for God's glory. Please pray for a future Jewish Outreach in NZ.

Tanzania: To God be the glory that "Naomi Ruth Bread of Life Orphan Centers" is becoming closer to being established as a Non-Profit in Tanzania. These centers are the tangible arm of Mercy of World Mission Outreach ministries to help the poor orphans around the world, beginning in Tanzania. We invite you to be a part of this vision of God written in James 1:27. Some of the kids seen on the left. They are very happy. Thank you from the kids! What a blessing to be with them again.

Israel outreach May – June 2014: With God's blessings, in May and June 2014, we will have a great team of people coming from around the world to Israel to bring hope to this country – to Jews and to Arabs. People need the Lord in their hearts for the forgiveness of sins and for eternal life. Please pray many will be saved. Here in the Holy Land, the Son of God became flesh 2000 years ago to bring us hope and eternal life to God the Father. Everybody is invited to experience this reality. It is with conviction we believe the Son of God knows the Father, and He came from eternity to reveal who the Father is. Jesus said in John 1:18, *"No one has seen God at any time, but the begotten Son who is in the bosom of the Father, He has revealed Him."* The World is breaking down not knowing how much the Father loves each person. Jesus said that He is the way to the Father – John 14:6. So, we thank God for His Holy Spirit to enable us all to stay faithful and to share His Gospel, the Only Hope, to Israel and the Nations. Rom 1:16

Thank you for your prayers and continual support to fulfill His great commission until the Lord Jesus Christ returns. Your prayers and support are an eternal investment in the lives of souls, who are in the image of God redeemed by the blood and resurrection of Jesus. An investment registered in the eternal bank of Heaven.

God bless you – We thank God for you. With much love in Yeshua,

Henry and Darlene Matarrita – Romans 1:16
