

To proclaim the Gospel; equip the next generation; mobilize the church throughout the world

January 2012 Update

DEAR Partner and Friend,

Shalom and blessings to you from Jerusalem, May His blessings and joy fill your heart each day of this **New Year**. Thank you for praying and supporting last month's Christmas outreach in Bethlehem and Jerusalem. Jesus did great things!

We had a team of 6 people, and we united with Jerusalem Baptist House on this outreach. It was great to see some believers sharing Jesus among the thousands and thousands of Muslims walking on manger square, including thousands of Christians pilgrims from around the world. We had a great time sharing the Gospel from 1PM to 6 PM. Truly God loves each person and out of His love, He gave His Son. Wow, what a fishing pond that place was.

We had several one to one conversations sharing the Gospel of Jesus. It was amazing to hear the responses from people, when we asked, "Who is Jesus to you"? There is so much confusion and deception. It became apparent how important it is to present the complete gospel. The Gospel is the truth, that God the Son from heaven became flesh, died on the cross for our sins and rose from the dead to give us life before our Father (John 1:1;14, 1 John 5:11-13, 1 Cor 15:1-4). One Muslim told me that he believed in Jesus, and I asked him where Jesus came from, and he said from "Russia"! He was serious. The Bible says that the TRUTH will set you free. God's Word is the truth.

Pastor Alan from the Jerusalem Baptist church had a choir singing Christmas songs and had a great crowd. He asked me to open air preach in the manger square. I did it for God's glory. Phoebe, our team member who is an ex-Muslim from Egypt translated for me. A huge crowd gathered to hear the Gospel! Afterwards, our team members had a great opportunity to share one to one. Beside sharing and planting seeds in the hearts of many, each year, we ask our Father in heaven to lead us to one who is hungry to know truth. Jesus said "Everyone who is of the truth hears My voice" John 18:37.

We met Alowi, a Muslim who moved from Nazareth to Bethlehem. He was really hungry to know truth. We spent a good time with him and explained the Love of God and His Gospel in His Son Jesus. We believed the Holy Spirit touched his heart to understand the message of the Love of God, his sins, and the need of repentance. We gave an

invitation to trust Jesus, and to our surprise Alowi asked if we could move to the side away from his friends so he could make a decision to trust Jesus as his Lord, God and Savior. Today pastor Hani an Arab pastor is giving the follow up. Glory to God in Jesus. The Bible says when one sinner repents; angels in heaven give glory to God.

Around 10 PM, our team arrived back in Jerusalem at Christ Church in the old city. Each year, they have a service at 10:30 pm. As a tradition for many years Israeli tour guides bring Jews for 20 minute tours to see how Christians celebrate Christmas and to hear some Christmas carols. Within the 2 hour service there are many tours passing through with hundreds and hundreds of Israelis. As they come in the church, everybody has to pass through a hall called the *Heritage Center* where they receive free cookies and hot drinks. There were tables on the side full of New Testaments and the Gospel of Luke in Hebrew. These were a free gift to the Israeli Christmas tourists and their tour guides. We couldn't help but notice that no one was taking these books. Darlene brave enough told the team, "let us put them in their hands". So, we put those books in their hands wishing

them a Happy Holiday and told them this was a gift for them. Amazingly people were happy to receive the gift and the table was empty in 30 minutes. Please pray they will read God's Word and His Word will not return void as He promised in Isaiah 55:11. Please pray for all the seeds sown that evening.

What an incredible month. To God be all the glory. We were also invited to a Muslim family's home in Hebron for dinner. This was something very special. The Lord gave us such favor. One of the family members has been to our home twice now and is thinking about the message. Please pray for him. His name in Arabic means cornerstone. Now is the time for soul-winning and discipleship. Thank you all for your sacrificial prayers and support. Special thanks for helping us to get our car situation resolved. Please continue to pray for our visa situation and also the mold situation in our bedroom. Pray please for our family, that the Lord will draw them by His Spirit and they will respond and walk in obedience. Family is a gift from God. We are praying for you and your family as well.

Love in Him,

Henry and Darlene
