EVANGELISTIC ASSOCIATION

Proclaiming the Gospel; Equipping the next generation; Mobilizing the church throughout the world

July 2015

Dear Partner and Friend,

Blessings in Messiah, our Lord Jesus from Jerusalem. Glory to God for His mercy and grace to serve Him daily. The work of His kingdom is moving forward.

The last 2 months (May and June) were busy doing outreaches in Israel. As you know

each year Israel celebrates the week of Shavuot (known to us as Pentecost). Because the majority in Israel do not believe Jesus is The Messiah - The Son of God, many Israelis go to the New Age festivals in the week of Pentecost. This year we had a small, but a great team to share the Hope in Messiah to Jews and Arabs by the sea of Galilee. The Gospel was given and explained to many people. Many took Bibles and

booklets, but we thank God 2 young ladies accepted Jesus as Savior and Lord. Follow up is in the process by the local congregation. The father of the young ladies is not a believer and he is giving a hard time to them. Please pray he too be saved in the Lord. It is challenging for Darlene and I to bring hope to the Middle East because of the hatred in the heart among the people, but we thank God for His faithfulness, He still saves. The Lord is in the business of redemption. We are so humbled for the opportunity that our King allows us to serve Him. Together with your prayers and support we can do more work until He returns.

The following week we shared the Gospel in a Russian Jewish congregation in Tel Aviv. After the service, 2 young adults were touched by the Holy Spirit to see their hearts condition, and they accepted Jesus as Savior and Lord - glory to God. Follow up is taking place now - thank you for your prayers for them too.

Please pray for Mohammed who lives in Jerusalem. We explained the Gospel and he is open. He is Muslim, and this June - July 2015 is Ramadan, 30 days fasting and he is going to Mecca in Saudi Arabia to pray and walk 7 times around the Kaaba to please his god. The Kaaba is a huge, tall square tower (like a box) and it is the Mecca of Islam. Millions from around the world go there for the Muslim pilgrimage. They all need Jesus The Son of God too. God willing, next year we are already planning a great team for Israel 2016 outreach - are you interested? Please apply now at www.wmoutreach.org

What is coming up!

By God's grace we will conduct our next evangelistic outreach in Beaver Dam, Wisconsin, USA on the weekend of August 29, 2015. We are working with different churches for the follow up and discipleship. Crosswalk Community Church is the leading church. Please pray for believers to bring unsaved ones to hear the Gospel of the grace of God in Jesus. The theme is "Hope Is Here". Pray believers will be inspired from this evangelistic outreach at the Gym and get more vision to reach out to more people. Pray the Holy Spirit flows through Henry in sharing the Gospel. Jesus loves The USA, and especially the young people in these days when hope is needed in the midst of confusion.

We need lots of prayers and resources to cover all ministry expenses. Someone said to us, "The Gospel is free to all people but to bring it to people there is a cost". Thank you for your prayers and financial support to bring this message of hope to the world, including Wisconsin this summer 2015. Hope is in The Son of God. We need you. We pray for you. We thank God for you.

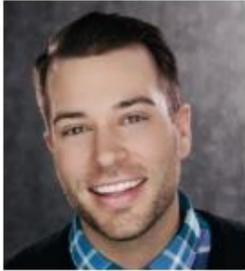

Blessings in Him,
Henry and Darlene M.
