

***Proclaim the Gospel; equip the next generation; mobilize the church***

March 2014

Shalom and Greetings Dear Partner,

Blessings in our Lord to you from Jerusalem.

We trust Him for you in our Lord Jesus. Time as you know is going by fast but we continue to keep our focus upon the author of our faith - (Heb 12:2).

January was busy bringing hope to people which is only found in the Gospel of Messiah. We thank God for the privilege to speak at the congregation, House of Yeshua at Bat Yam, (Tel Aviv) Israel. Believers made the effort to invite non believers to hear the good news of Romans 1:17 - "In the Gospel the righteousness of God is revealed". Wow what an experience to expound that beautiful reality of His righteousness found only in His Son. After the service, one Russian woman came forward to surrender her life to Yeshua. She is getting baptized next month by the Pastor of the congregation.

It was so powerful that I was invited again to speak on February 21 on the same topic. This time the congregation brought more guests to hear about His righteousness, repentance and forgiveness of sins. I realized that people in Israel and around the world are REALLY tired of religion, tradition and philosophies. After the service many Russians approached to ask questions. Dimitri a Russian Jew in the Israeli army asked me about relationship versus tradition which he grew up with. He understood the love of God in Messiah, and that God wants him just as he is. He then made the decision to surrender his heart to Messiah Jesus the Lord who forgives sins. He said, "Wow, it is like a secret truth, it is there but no one can see it, it is like you are found". When Dimitri said this, it reminded me of the Parable of Matthew 13:44, "The hidden treasure found..." Dimitri was full of joy at the moment. The Pastor has already spoken to him about baptism and follow-up. Praise the Lord.

Please join us in any outreach; help us in prayer and support to do this work. We need generous partners like you, we cannot do it alone.

**China** - The last 2 weeks of January 2014 I was invited to speak in China to several congregations (underground). Believers are hungry for the Word. There is not much access to Bible training. What a privilege to equip believers in a conference; to present the Son of God in different meetings, and to see Chinese people surrendering their hearts to the Son of God. This humbled my heart so much to the point of a deep comprehension of how much The Father in heaven loves to see His Son being lifted up. The Holy Spirit really moves when the Son of God is lifted up. It is God who reveals His Son to people who are hungry for Him. I cried before God to see the condition of the human race. Some parts of the world people are hungry for Him, and other parts of the world people are not hungry for Him.

**A dream comes true** – 10 years ago speaking in Hong Kong, I heard for the first time that Jews arrived in China around 920 to 1127 CE to a city called Kaifeng in central China. Kaifeng was the capital of China during the Song Dynasty. The Jews living today in Kaifeng, their ancestors left India and Persia via the Silk Road. Today they are known as the Chinese Jews (just like American Jews or Latin American Jews or European Jews or Ethiopian Jews). You can Google this. It is very interesting. My local contact and I arrived to Kaifeng on January 19th to pray for them and to explore. This is a secluded area which is very strong in Chinese culture. We had not planned any meetings. It is really a miracle what the Lord did. He opened a door to have a meeting with underground church leaders in Kaifeng. They were blessed to

hear the vision of WMO and are eager to be equipped and mobilized to do a city wide Jewish outreach in Kaifeng in the light of Romans 11:30-31. They were so excited that within 24 hours we had another meeting with many underground intercessors to begin this work with prayers. They even asked, "what about Beijing and Shanghai"? I said with God's help let us focus first in Kaifeng, building a good model to give to others throughout China. The whole church went on fire in prayers.

Now we pray for wisdom on how to go about this in China. We cannot go frequently as to avoid being noticed and to protect the Chinese underground church. But we will go once a year (maybe twice) as tourists to develop this work. After the outreach the believers will do the follow up. Please pray for this.

I met some Chinese Jews and talked. They spoke about the Tanach (Hebrew Scriptures) and Torah (books of Moses). It reminded me of home, here in Jerusalem. God loves them so much and He wants them to know His Son, The Son of God. This rang in my spirit, "For God so loved the World that He gave His only Begotten Son..."

I am reminded of what the Apostle Paul said in Romans 11:11 "I say then, have they stumbled that they should fall? Certainly not! But through their fall, to provoke them to jealousy, salvation has come to the Gentiles". May our dear Chinese brothers and sisters become equipped to provoke these Jews to jealousy. Now is the time to bring the mercy of God back to the Jews living in our midst (Romans 11:30-31). The salvation of the Jews is the key to world redemption. When Israel embraces her Messiah the world will be forever changed (Romans 11:15).

Please join us in praying and believing that all who love the Messiah, the Holy One of Israel and the world will embrace the importance of Israel's salvation and become passionate to participate in this great end-time revival as we bring the gospel to both Jews and Gentiles (Romans 1:16).
