O U T R E A C H

EVANGELISTIC ASSOCIATION

February 8, 2016

Dear Partner,

Blessings in Messiah our Lord from Jerusalem to each of you. We thank God for you as we journey together to bring His hope to the world in the light of Romans 1:16.

The last month in Tel Aviv, Israel we shared in a Jewish Russian congregation. Believers were encouraged to bring many unsaved friends to hear the message of hope in The Son of God. We thank God for Alexander. He surrendered his life to The Lord Jesus for the first time for salvation. God is in the business of redeeming and saving people, Jews and none Jews. He wants all men to repent everywhere. Alexander is getting follow up now by the local pastor. More coming up in our next prayer letter.

Liberia, West Africa

As you know Liberia had many deaths from the Ebola crisis which began in 2014. Liberia was first declared free of Ebola transmission in May 2015, but the virus was re-introduced twice since then, with the latest flare-up in November. Many homes have experienced the pain to see a relative dying from Ebola. Today the country is still recovering in many areas; physically, emotionally and spiritually. We all know it takes time for a nation to heal after a major crisis. In addition, this country of Liberia is still recovering from the civil war that finished not so many years ago under the dictatorship of Charles Taylor. Many kids were forced to fight alongside the opposition and many were forced to kill. Literally every home in Liberia has experienced a relative whom has been killed in the civil war. Liberia like any other nation needs hope in the Son of the God too. Only the Gospel is the power of God to save people.

We have had a very long relationship with the Liberian people that dates back to 2000. We have participated in evangelistic Outreaches with a local Pastor and participated in Missions conferences every other year. We were not able to attend in 2014 because of the Ebola crisis.

We have been invited to bring hope in the Son of God, The Messiah Jesus, and to be a part of the healing process of Liberia. Please would you join us on this journey to Liberia. God willing, we will conduct an evangelistic outreach to many unsaved people and to bring hope in their lives on the weekend of February 14th. Then, during the weekdays of February 17 to 21 we will speak in a conference of 400 plus people coming from over 50 plus churches from the Monrovia area. Also, on Monday February 15, we will visit key orphan centers to pray for kids and to bring rice. So, this country needs your help now as we speak. You can be a part of this by praying. We need prayers that Jesus be lifted up and God will draw many to Himself for salvation while we proclaim the Gospel. We need prayers that believers will be encouraged in the Bible conference and be strengthened to move on. We need funds to cover the expenses for this Liberia project, and to raise additional funds to buy rice for the 4 orphan centers we plan to visit. The truth is that we thank God for the opportunity to bring His Gospel to the lost people who need

hope, but we thank God for true partners like you. You make this possible through your prayer and support. We journey together with you as we pray for you too.

We appreciate prayer for protection in our travels. Above all that the Holy Spirit will move through us so that Jesus be lifted up by the power of the Gospel to change lives and our Father to be glorified. Once again, thank you for being part of WMO and to journey with us in your prayer and support. May the Lord bless you and our family. Truly grateful we are.

Henry and Darlene M

This was a article in the Israeli newspaper Haaretz. It is a very sad story of the young men who had to collect the bodies and cremate them. This is a difficult situation because in Liberian culture bodies are buried. Many families were not able to say goodbye. There was a stigma against these young men who were called Ebola burners. Many have lost their families and homes. They have been pushed from their community and are living back where they burned the bodies of the Ebola victims. Please pray for these

young men. Pray for their healing and acceptance in their communities. Pray that the Lord will touch their lives with HIS powerful love.

To support WMO ministry, please mail checks to the following address. All gifts are tax deductible and a tax receipt will be mailed to you at the end of the year.

All support for tax receipts send to:
