EVANGELISTIC ASSOCIATION

**Proclaiming the Gospel; Equipping the saints;
Mobilizing the Church**

"Devote yourselves to prayer, keeping alert in it with an attitude of thanksgiving"
(Colossians 4:2)

November, 2020

Dear Partner,

Shalom and blessings in Jesus our Lord, the only hope for the world (Romans 1:16).

While in the U.S. bringing the hope in the Gospel of grace of our Lord Jesus, God is allowing us to see the unfolding post-election activities of people looking for hope. We perceive that people are hungry and thirsty for truth. Jesus said; "I am the way, the truth and the life..." (John 14:6).

Truly, the Son of God is what people are looking for but they do not know it. He is the living water; the only source of true and eternal life.

We thank God for the opportunity to encourage churches on evangelism this past month and giving us the privilege to share the Gospel with many.

To do the work of an itinerant evangelist, we must trust the Lord to open the right doors at each location He sends us. World Mission Outreach is an evangelistic association, bringing the Gospel of Jesus, and working with local churches for the follow-up of new believers. As the Lord opens doors, we go to serve Him. In the midst of Covid-19, there are places opening up little by little in the U.S. and around the world. World Mission Outreach remains the same, ready to bring good news with the simple message of the Gospel.

Testimony

We take this time to thank you for your prayers for our 14-year-old grandson, Judah. He, like many young teens, has been struggling. He has also had six seizures since May. This past month he had a large seizure and we thank God he is with us. Judah had previously prayed to receive Jesus; and he was so

concerned and we spoke to him about the importance of the Lordship of Jesus. As a result, Judah wanted to be baptized. We praise God for what HE did in Judah's heart. Please pray for his growth in Jesus and his physical healing. Perhaps one day he will join our ministry. The Lord God hears prayers.

“Let us not grow weary of doing good, for in due season we will reap, if we do not give up” Galatians 6:9

We appreciate your prayers and support as we prepare to share the Gospel in the following places for November and December 2020:

November - We will be sharing the Gospel in a few churches in San Antonio, from Nov. 14-23. We appreciate your prayers that many unsaved in the church will be saved, and believers be encouraged in Jesus.

December - We will be ministering and equipping Pastors in Tanzania from Dec. 4-20. We will work with pastors to prepare/equip churches on Jewish evangelism for the next Jewish outreach in August, 2021. Thousands of Israelis go there to hike Kilimanjaro and visit safari parks. We will also be equipping pastors for the Muslim Outreach that is being held in Zanzibar in September, 2021. We need a lot of prayer for protection please. We will be visiting Naomi Ruth Orphan center, which is the social arm of WMO, to pray, minister to the orphans, and encourage the staff. For those of you that sponsor one of these precious children, we say thank you. We believe these kids were picked by the Lord for us, as they come from parents who have died of aids. We have prayed for many years to acquire land to build a orphan village. The last few years the Lord has graciously provided almost enough land to begin the building project. We will be assessing any further needs. Please pray for protection and provision for this trip. There will be a lot of work for the kingdom of God.

Prayer requests please

- Protection in travels
- Protection against sickness
- Wisdom in our interactions with people
- Favor with governments
- Israel Embassy in Los Angeles contacted us that Israel Immigration denied our request because of Covid 19. The border is closed and we can not get back. So we need to wait until Israel opens up. We have a lease on our apartment in Israel which we pay on each month. On the one hand, we have a home and on the other we have no home. We need to rent a temporary place to lay our heads and to use as a base.
- We need to raise additional \$2000 per month to cover these needs. Especially pray for Darlene, as she needs a place to rest. God is faithful to provide.

If the Lord Jesus leads you to be a partner of WMO, the best way to donate is through recurring Egiving. Please go to www.wmoutreach.org and click on donate. We really appreciate it.

As we approach Thanksgiving we thank God for His Son and we thank God for you. May you rest in Him and be anxious for nothing as the Bible Says.

We are truly so grateful for you. The Lord uses your prayers and support in making this ministry fruitful. We give HIM all the glory and honor.

We pray for you too. You are very important to us and we need you. Please let us know if you have a prayer request, we love to hear from you. Much love and blessings to you and your family.

In His love,

Henry and Darlene
