Dear WMO praying family,  
Peace and blessings in Messiah Jesus.

Jesus loves to redeem souls and such redemption is God's heart desire throughout the Scriptures. Our mission has never been more vital and we thank you for your partnership.

**Baptism of New Believers from Islam to Jesus and His eternal kingdom of light.**

We thank God for the fruits of the Gospel of Jesus and the work He allowed us to do this past September during the evangelistic outreaches in Zanzibar. Many testimonies resulted directly from these outreaches. During these outreaches, many of Muslim background came to faith in Jesus and were put in contact with members of local churches for discipleship. Pastor Emmanuel was our translator at the outreach and several new believers were connected with his church. This past week, they celebrated the baptism of those new believers. Below you can see how the church rejoiced in this, coming out to support the new ones who were adopted into the Kingdom of God.

## Jesus Loves America - Truck and Trailer, tools for Evangelism

God is speaking loudly to us to stay focused with The Gospel of Jesus. As you know, by God's grace, World Mission Outreach is now allocating half of our time to focus on sharing the Gospel in the United States.

He is allowing us to hit the ground running in America with the Gospel of Jesus. Under God's leading and the great leadership of our Board of Directors, we shared with you our need for a truck and trailer as tools for evangelism across this great country. There is a huge spiritual vacuum felt across America, and churches are praying to God for the repentance and forgiveness of sins for many. We sense the spiritual urgency to step up with the Gospel. WMO exists to proclaim, equip and mobilize the churches toward evangelism. We partner with many churches to come alongside in serving in evangelistic ministry in their communities and to encourage the churches on discipleship of new believers as Jesus said to do in Matthew 28:19.

Through a few donors, God provided the down payment for the truck and trailer. Please take a look at the video below for a little message from us. We are trusting and believing our Lord God to provide the rest of the funds to pay off the truck and trailer as soon as possible. We are a faith-based ministry and we know that God is faithful as we step out *in faith* to serve Him. There is no other way. We are also a debt free ministry; which allows us to focus our whole being on bringing the Gospel to the human race - to Jews and Gentiles who desperately need Jesus (Romans 1:16-17).

We know God is the provider, He is our source, and we know He provides through His people. We thank God for donors like you who have partnered with this ministry for years. As the Lord leads, please consider any donation to pay off these tools for evangelism. We need around \$70,000 to cover both. We received a great God deal. We thank God for you! Your prayer and support make this ministry possible.

With God all things are possible according to His purpose in Messiah Jesus. Soon, you will hear that the *Jesus loves America* trailer is coming to a town near you! Please join us and let us tell America, "Jesus loves you!". We are not ashamed of the Gospel, and only in the Gospel is the Righteousness of God revealed. Jesus the righteousness of God, a gift to this dark world where people feel like they are losing ground, but God is victorious. God is still redeeming with the joy of His salvation.

Thank you for your selfless actions in prayer and support. You are with us on the field until He comes back.

*Henry and Darlene*
